We at A LOTT of Sista Love (ALOSL) respect your concerns about privacy and value the trust you have placed in us. This Privacy Notice describes the types of personal information we collect, how we may use that information, and with whom we may share it. Our Privacy Notice also describes the measures we take to protect the security of the information. In addition, we describe the choices you can make about how we use the information you provide to us. We tell you how you can update your contact information, remove your name from our mailing list, or answer any questions you may have about our privacy practices.

We collect and use information about you to communicate with you about our products, services, programs and events, and to customize our communications in those areas. We also collect information to improve your website experience, enroll in our marketplace ministries; and enable you to make donations to ALOSL. Here are the ways we obtain information about you and the types of information we obtain. We also tell you how we use the information.

**Register for Our Newsletter.** When you ask us to send you our newsletter, you provide us with your email address so we can fulfill your request.

**Website.** Like many organizations, we use cookies and log files on our website. Cookies are small text files that websites often store on the computer hard drives of visitors to their sites. A cookie contains a unique code, which is used to recognize your computer when a user of your computer returns to a website that was visited previously. Log files are small text files that websites automatically create when a user visits a site. We use cookies and log files to enhance the online experience of our visitors and to better understand how our site is used. Cookies and log files may tell us, for example, whether you have visited our site before or whether you are a new visitor.

The "help" portion of the toolbar on most browsers will tell you how to stop accepting new cookies, how to be notified when you receive a new cookie, and how to disable existing cookies. Remember, though, without cookies, you may not be able to take full advantage of all our website features.

**Donations.** You also give us contact information and credit card or checking information so we can process your donation. We use this information for that purpose and to customize our communication with you.
